## Chapter Eleven He is Coming

One second later, there were two knocks from the taxi window on the driver's side, and then Anna Jian heard the indifferent voice of business affairs outside the window, "Mr., please open the passenger taxi door.

The tone is very formulaic, without a trace of emotion, using the word "please", but the attitude is very tough...Danny Shen's subordinates have all learned Danny Shen.

Anna Jian excitedly shouted at the driver, "Don't open the door!" She said, "I'll give you money..."

suddenly.....

"boom!"

With a sound, the taxi window on the driver's seat shattered into pieces.

This sudden scene not only scared Anna Jian, but also the driver in the driver's seat.

"I, I, I want to call the police! There is no more king...?"

"Huh!" A stack of brand-new red tickets was thrown on the driver's body. Upon visual inspection, it was about ten thousand older. Outside the car window, the black-clothed bodyguard asked with a wooden face: "Now, Can I open the door?"

"Yes, okay, okay~! No problem!" Seeing Qian's eyes opened, the driver quickly replied, and opened the passenger taxi door, "Hey, get out of the car."

The driver had already convinced that the mad woman beside him must have offended a powerful and powerful person, and there was no need to be so polite to Anna Jian. He unceremoniously drove Anna Jian out of the car, and his tone was rude, Anna Jian refused to get off. She stubbornly grasped the seat of the car seat. Upon seeing this, the driver even moved his hand, pulling Anna Jian's arm rudely.

"Get off! I won't drive you! Hurry up!"

Anna Jian hugged the seat back and shook his head desperately...No! No! Don't drive me out of the car!

"Get off the car." Behind Anna Jian, a faintly cool voice sounded. The familiar voice instantly stiffened Anna Jian's back.

There was a trace of heat this night, which was smoothed out by the sudden sound.

No, don't look back, it's okay if you don't look back... It's a hallucination, an auditory hallucination.

"Don't let me say it a second time. Anna, you know how miserable it will be to annoy me." The voice behind him was even more impersonal.

Anna Jian's face instantly lost blood... I know! of course I know! How could she not know!

So, holding back her fear, she slowly turned around.

The man was standing two or three meters away from the car. Under the street lamp, he burned a cigarette between his fingers and inhaled. The white mist curled around, half covering the perfect face carved by the sword and axe.

Under the dim light, Anna Jian couldn't see Danny Shen's expression clearly, but the other party stood under the street lamp, stretched out his hand and waved to her, "Come here."

The deep voice is really deceptive, and any woman will be bewitched and intoxicated.

But, this voice heard in Anna Jian's ears, as if it was a reminder of Yan Luo!

She didn't want to go over, not at all, but she didn't dare, as if she got out of the car with self-consciousness, Anna Jian walked slowly towards the man under the street light.

The man twisted his beautiful eyebrows, glanced over Anna's legs, and then fell on Anna's face again, scornfully, "Is this interesting? Anna who is resolute, calm and self-contained, now Will it only procrastinate and deliberately procrastinate? Ha~"

Anna Jian's breathing was stagnant, and his fingers severely pinched the thigh... She knew that Danny Shen believed that she was slow because she wanted to delay time.

She hoped that it was really what he said: she was just delaying time.

But fact... fact! Huh~

After gritting his teeth, Anna Jian speeded up his pace, a familiar pain came, and Anna Jian pinched himself severely.

The man under the street lamp on the opposite side saw her speeding up, and the corners of his mouth rose slightly...That's right, the toy should look like a toy.

Stretching out his hand, he embraced the woman in front of him, Danny Shen spit out the last puff of smoke with his fingers between the cigarette butts. Without looking, he stretched out behind him, and immediately a subordinate took the cigarette butts from his hand.

The next second, a big palm grabbed her chin, and Anna Jian's jaw hurt.

Danny Shen grabbed Anna's chin and swung it up and down a few times, carefully admiring Anna's embarrassment with her sharp eyes:

"Tsk ts~ When did the extremely high-spirited Miss Anna be so timid and cowardly, he was humiliated by a small taxi driver, and he kept confessing his mistakes without dignity?"

Anna Jian trembled and blurted out, "You sent someone to follow me?"

"Tsk, not too dumb."

Anna Jian's face was so ugly that she suddenly laughed silently... She said, how could Danny Shen let her go so easily?

Suddenly, she turned her head, looked at the taxi driver, and slowly said, "Master, didn't you ask me, did you steal something from someone and there was nowhere to be chased?" She slowly met the taxi driver's eyes :

"Fate, I stole the life of a woman, I killed the woman he loved the most," Anna Jian slowly pointed to Danny Shen, then slowly pointed to himself: "My best friend."

Her speech speed is very slow, so that everyone here feels that what she is facing is not a young woman in her twenties, but rather an "old man" facing an old man-the "old man".

Danny Shen was so disgusted with this feeling, a fire burst out, grabbing Anna Jian's hand, and stuffing her into his car.

Anna Jian suddenly shouted: "Wait a minute, my money!" She got free and "ran" towards the taxi driver, saying "run". In fact, in the eyes of everyone, she walked faster than normal people.

When she was about to approach the taxi, she wrapped a long arm around her waist, "My money! Without money, how can I..."

"Without money, how can you escape?" A cold voice interrupted Anna Jian, and asked Anna Jian coldly: "Huh? Really?"

Anna Jian was taken aback...No! of course not! She wants money, a lot of money, she wants to pay off her debts, to fulfill an agreement...her money! Her dream of Erhai! Her promise!

"Let go of me! Money!" Anna Jian struggled and shouted at the taxi driver hoarsely: "You give me my money!"

"Hey, you gave me the money. Can you get it back if you give it to someone?" Of course, the taxi driver didn't want to fly the duck. Anyway, this mad woman killed the lady of the noble son, and it would not end well. Why worry about yourself.

"You give me my money back!" Anna Jian red eyes. "Please, please! Please return the money to me! No money! No money! How can I go!" Anna Jian pleaded sadly and humbly.

boom!

Danny Shen is angry!

He couldn't believe that the person in front of him was Anna!

The woman in the impression that she boldly showed her love to him, after being rejected with a cold face, raised her delicate chin and told him: "Adriana is really good, but she is not suitable for you. A woman who is worthy of Danny Shen should be more confident and powerful. like me."

## Chapter 12 The Humble Anna Jian

She would say to him solemnly: “Danny Shen, you are too strong and too good, you have so many enemies, Danny Shen, you should have no weaknesses, bear the brunt, your woman can’t be your weakness, Adriana is too weak, she can’t. Watermark advertising Test the watermark ads and test my Annag!”

Every time she was scolded by him as “Despite, even coveting friends!”, but every time, she would raise her head to retort: “Danny Shen, you are single now, when did Adriana become your girlfriend? Jane Tong bypasses you!”

What a proud woman!

“Please, return my money to me.” A woman’s humble begging voice was in her ear.

Danny Shen’s face is pale... Is she really Anna? That proud and confident woman?

Grabbing Anna’s wrist, Danny Shen dragged her to the direction of his car.

“Money, my money, let me go, I can’t leave without money.” The woman’s voice lingered in her ears, and Danny Shen’s eyes became colder... She really wanted to escape!

Danny Shen suddenly stopped her feet, and glanced at the black-robed bodyguard: “Go and see her salute, xiànjìn and bank cards are all confiscated.”

When Anna Jian heard this, his expression instantly became anxious: “What do you want to do?”

Danny Shen sneered: “Want to escape? If you have money, you can leave? Anna, Anna, it’s not that you are too naive, or that I have become kind.”

His lips pressed against her ears, like a nightmare: “How could I let you off easily? After you get out of prison, you should go as far as you can, and stop being seen by me. I was watching, Anna Jian, you can’t leave.”

After the conversation, Danny Shen gave Shen Yi a look, and his sharp eyes swept indifferently to the taxi driver on the side of the taxi.

Shen Yi nodded slightly, expressing understanding.

Danny Shen immediately dragged Anna Jian and violently pushed her into the car. He also quickly got into the car and “drove.”

A person in the driver’s seat replied respectfully, “Yes, Mr. Shen.”

Along the way, Anna Jian didn’t dare to say much. There was a big ice cube next to him. There was no need to get close. Anna Jian sat tightly against the car window, sitting beside Danny Shen, Anna Jian was panicked.

Since getting in the car, the other party didn’t say a word, with long slender legs, his left leg folded on his right leg, and his eyes cast blankly. The dark tide surged under the gold-framed glasses, and Danny Shen was not as calm as the surface.

I don’t know how long it was driving, the car stopped. Anna Jian looked out the window, his face instantly pale.

“This, this is Donghuang? Shen, Mr. Shen, what are you bringing me here?”

On the way, Danny Shen’s eyes did not fall on Anna Jian. At this moment, she heard the panic in Anna Jian’s voice, her slightly narrowed eyes didn’t know what she was thinking, she suddenly turned her head and turned towards the panicked and nervous woman. With a half-raised eyebrow, a smirk appeared on his handsome face, and he said casually:

“What do you mean?” He raised his eyelids with a smile, and glanced at her, “Jane, Da, Xiao, Sister?”

Anna Jian took a breath, shaking her lips and begging for mercy: “Please, let me go, Mr. Shen, what’s wrong with me, I apologize to you, I will kneel down for you kowtow.....”

“Shut up!”

Anna Jian never expected that Danny Shen, who has always been calm and self-sufficient, would become angry and furious! Her face was even paler: “I, I...” She didn’t know what to say. At this moment, everything was wrong. She gritted her teeth. In the small space in the car, she bent her knees...

A pair of eyes, deep and angry, staring at her... She actually said she was kneeling, she really had no dignity anymore?

Danny Shen was so angry that he opened the door with one hand, and pulled Anna out of the car with one hand: “Are you going to kneel? Your knees are so soft? Do you love

kneeling so much?" Danny Shen's handsome face is full of veins. Bi Lu, dragged Anna Jian, dragged her to the door of the "East Emperor Entertainment Club" and threw her to the ground: "Since I love kneeling so much, Anna Jian, you can perform here now!"

He really doesn't know why he is so angry! This woman, who was so disgusting and so proud before, now loses her arrogance, it makes people look down even more!

Anna Jian Anna Jian Anna Jian! ! !

Is she Jane Tong? Is this cartilaginous Jane the arrogant Jane who confessed to him?

Anna Jian has only now digested Danny Shen's words, and looked at the man aside with a pale face: "Mr. Shen, I already knew that I was wrong. Please forgive me, please, I have been in jail for three years. I..." What she wanted to say was – after she paid her debts, she could give him her life and pay for Adriana.

"Don't you like to kneel? Kneel down!" The man's cold face was covered with a layer of frost: "Since you love kneeling so much, let everyone see you, how the Jian family's big Miss has lost his face!"

Anna Jian shook her body, she thought she would never be sad again, she thought she could accept all this calmly.

She was wrong!

Anna...?

Danny Shen, are you talking and laughing?

Who gave the order, there is no Anna Jian but no Jian family, from now on, there is no Miss Anna in the Jian family?

Kneeling... Does she want to kneel?

She doesn't want to!

But who is she?

She is just a string of "926" numbers! She has nothing, dignity? backbone? Hahahaha... When she was Anna and was a Miss of the Jian family, he could send her to jail if he was upset, and she didn't even have a chance to argue!

She is nothing now, except to kneel and to betray her dignity, she has no bargaining chip to negotiate with him.

Danny Shen, it's not that I "love" kneel down, it's that I have nothing more to grasp!

You took away my past, you wiped out the Anna of the Jian family, and you wiped out a person's existence and past alive. I am worse than this street tramp. They at least still have a home and a past. What about me ?

dignity? Anna Jian lowered her head, ignoring the bitterness in her mouth. She was shaking, raising her eyes to meet Danny Shen's ink-colored pupils. Anna Jian looked at Danny Shen's eyes like this and knelt down slowly...Danny Shen, from the Jian family Only Anna will have dignity and pride, how can I be a prisoner of reform through labor!

Pressing his lips tightly, the man walked forward without saying a word, pointing around. The man ignored him and walked forward, no one knew what he was going to do.

A pair of big long legs appeared in front of Anna Jian's eyes, shiny black leather shoes, showing the master's exquisiteness, her heart jumped slightly, but she saw those big long legs slowly squatting down, Anna Jian subconsciously Looking up, a beautiful and extraordinary face was facing her.

"Are you really Anna?" The man's pink-colored eyes were deeply incomprehensible and asked her with a trace of sternness. Anna seemed to be hit by a big hammer and swayed. For a long time, she didn't say anything. Answered, Danny Shen stood up slowly, looked down at the ant-like woman under her feet, and faintly ordered: "Follow me."
